# REPRESENTATIVE SPORT

The AGSV vs APS Winter Representative Sport program has been running since 1968 with a full range of sports offered from 2000. The Winter Representative Sport program rewards students who have performed consistently during the season, with the opportunity to represent their Association and showcase their sporting skills.

The 2021 AGSV v APS Winter Representative matches were cancelled due to the impact of the Coronavirus (COVID-19) pandemic.

We would like to thank the selectors for their assistance in selecting the teams. Congratulations to all students who were selected to represent their Association.
