GENERAL

All Soccer is conducted under the Rules of FIFA, unless otherwise stated.

Any amendment to a rule/regulation implemented by the governing body will only be applied to AGSV regulations once it has been ratified in accordance with AGSV procedures. Players and coaches are fully expected to conduct themselves within spirit of the game and in accordance with the **AGSV Standard of Behaviour**.

1st XI matches

- (a) Games will consist of two, 40-minute halves with extra time for interruptions. The half time interval will be 5 minutes.
- (b) Games will be controlled by a Football Federation of Victoria accredited official (referee).

For the discipline of players, the referee will use the following card system:

Yellow Card: - Warning. A second yellow card in a match will result in a Red card

Red Card: - Player sent off for the remainder of the game

For the first audible obscenity a player shall be sent off for 5 minutes, and for the second and subsequent offences, for 15 minutes.

In the event of the non-appearance of the referee, the coaches should confer, and if no mutual agreement is reached the game shall be postponed. The game will then be played at the earliest opportunity at a venue and time agreed to by the respective schools.

- (c) **Referees:** it is compulsory for the Home school to provide two (2) externally sourced and appropriately qualified officials to perform the job as linesmen, in addition to the official Central referee. The off-side decisions are to be made by the official linesmen and / or referee.
- (d) Where a match has not been transferred earlier, the fitness of the ground for play shall be decided solely by the referee.
- (e) **Interchange:** a team may have four (4) interchange players. Players may only be interchanged at a break of play and with the referee's permission. No player from the First XI may play in the Second XI or Year level match in the same round.
- (f) No player is permitted to take the field without a number on their shirt.
- (g) It is mandatory for all players to wear shin pads. Wearing of mouth guards is strongly recommended.
- (h) Premiership points will be awarded on the basis of 3 for a win; 1 for a draw and 0 for a loss.
- (i) **SEMI FINALS** (Round 8): Ladder positions after round 7 will determine the draw for both semi finals and play-off's. Semi finals will be scheduled as follows: 1 v 4, 2 v 3. Play-off's matches will be held for 5 v 6, 7 v 8.

Positions 3-8 on the final ladder will be determined by results from play-off matches ie. no matches played on Grand Final round. Ladder positions will be separated by (i) premiership points. Where teams are equal on premiership points after Round 7 at the end of home and away rounds, the following criteria will be used to further separate ladder positions: (ii) by who won the home and away match (head to head). Where teams placed first, second or third on the ladder cannot be separated by (i) or (ii), a calculation (iii) will be used to determine who has superior goal difference (GD) from matches involving these teams. If this fails to separate, the team who is immediately below on the ladder will be included in the calculation. If that fails, the calculation will include the next team down the rung (and so on) until a separation is achieved.

Where teams placed second, third (or below) cannot be separated by (i) or (ii), the third calculation (iii) will include matches played against the team who is immediately above on the ladder. If that fails to separate, the calculation will include the next team above (and so on). Where there are no more teams above, the calculation will include the team immediately below on the ladder (and so on) until a separation is achieved.

The venue and start time of the Semi-finals/play-off's will be set by the school that finished higher on the ladder. Generally, this should follow the start time allocated to matches by this school for the Home & Away rounds, unless an alternative time and day is mutually agreed upon by the participating schools. As per Item c), the home school must arrange and pay for three Football Victoria accredited officials (one referee and two linesmen) to be appointed to these matches.

In the event of a draw (including washout) in a semi final/play-off, no extra time will be played, nor will the game be replayed. To separate teams who have a draw in a semi-final, the team that finished highest on the ladder after Round 7 (according to the above criteria) maintains that place to either progress to the Grand Final or finalise their position on the season ladder.

NOTE: Schools hosting semi-finals are to assume usual Home match responsibilities (ie. provision of First-aid; match balls & relevant equipment; payment of referees; after match catering etc.).

- (j) **GRAND FINAL** (Round 9): The following week, the two teams who won a Semi Final will contest the Grand Final to decide the Premiership. The venue and start time will be set by the team finishing highest on the ladder (who will be the host school). Generally, kick off for the grand final should follow the start time allocated to matches by this school during the Home & Away rounds, unless an alternative time and day is mutually agreed upon by the participating schools.

In the event of a draw or tie (including washout) in a final, no extra time will be played, nor will the game be replayed. The team finishing with the most premierships points at the end of the Home and Away season (Round 7) will be declared the winner. Where both teams are equal on premierships points, the premiership/position on the ladder will be shared.

As per Item c), three Football Federation of Victoria accredited officials (one referee and two linesmen) must be appointed to the final, arranged and paid for by the home school. Crowd management to be mutually arranged by competing schools.

NOTE: The School hosting the Grand Final is to assume usual Home match responsibilities (ie. provision of First-aid; match balls & equipment; payment of umpires; after match catering etc.).
