1. The nine member schools will be known as the Associated Grammar Schools of Victoria: Assumption College, Camberwell Grammar School, Ivanhoe Grammar School, Marcellin College, Mentone Grammar, Penleigh & Essendon Grammar School, Peninsula Grammar, Trinity Grammar School and Yarra Valley Grammar.
2. All nine member schools are involved in the Boys' AGSV Sporting Program. Six member schools (Assumption College, Ivanhoe Grammar School, Mentone Grammar, Penleigh & Essendon Grammar School, Peninsula Grammar and Yarra Valley Grammar) compete in the Girls' Sporting Program which is only partly AGSV – Athletics, Swimming and Cross Country. The remainder of the program is shared with the Associated Public Schools (APS) under the title of AGSV/APS Summer and Winter Sport.
3. Details of sporting arrangements will be determined by the Sports Coordinators' Committee. This committee consists of a Boys Sports Coordinator from each of the nine schools and a Girls Sports Coordinator from each of the six co-educational schools, with an Honorary Chairman and an Executive Officer appointed by the Heads Association. No resolution or decision of this Committee will be binding unless approved by a meeting of the Heads of the above listed schools.

The Committee will meet as a single entity for joint issues, but gender specific items will be addressed at separate meetings of the Boys' and Girls' Sports Coordinators. The Girls' Sports Coordinators also attend meetings each term with the APS Girls' Sport Delegates in order to make arrangements for their joint sporting seasons.

4. At all meetings of the above Committee (or its sub groups) it is expected that schools will be fully represented. Meetings will be held at least once per term provided that emergency meetings may be called by the Executive Officer after consultation with the Chairman.
5. (a) In the event of serious problems arising during the conduct of any inter-school match, a Head (or a representative) should be prepared to take appropriate action either at the time or subsequently. Such action may include the termination of the match.

(b) Any disputes or claims arising out of any contravention of any Regulations governing sporting contests or charges against a school, or individual, will be reported to the Executive Officer of the Sports Coordinators' Committee for consideration and a decision will be made by that body, subject to the right of appeal to the Heads. The decision of the Committee will remain, pending the hearing of any such appeal.
6. No change to these Regulations will be made without the consent of a majority of the Heads of Schools.

All schools should be familiar with and where appropriate, follow the contents of the following AGSV Policies:

ADVERSE WEATHER, MEDICAL ATTENTION, QUALITY AND CONDITION OF SPORTING FACILITIES.

Players and Teams

7. All students on the school roll, whether full or part time, are eligible to participate in interschool sport. Where a student is aged twenty or more on 1 January, application must be made to the Executive of the Sports Coordinators' Committee for permission to participate in a Premiership sport, each case to be considered on its merits.

Students attending a school on exchange are eligible to represent that school. However, to participate in a Premiership sport, including Athletics and Swimming, the duration of the exchange must be a minimum of one school term.

8. (a) Boys Summer and Winter team sports are played on a Year Level basis, with Years 11 and 12 combining for Open teams. Girls Summer and Winter team sports are played in three divisions, Open, Intermediate and Junior.
 - (b) Age groupings for Swimming and Athletics are determined by the age of the student on 28 February, for Swimming, and on 30 June for Athletics.

 - (d) A student may only play one Summer and one Winter premiership sport per season (excluding Athletics and Swimming), except with the express permission of the Executive of the Sports Coordinators Committee. A student may only move mid-season from a non-premiership team to a premiership team in another sport, under extenuating circumstances, and with the permission of the Executive.
 - (e) No student who plays in a Firsts match may play in a Seconds or a Year Level match in the same round.
9. Any school infringing these Regulations may be excluded from all contests by vote of the Heads.

Boys Premierships (Firsts Teams)

11. (a) Sports with six teams entered in a competition will initially play each opposing team once during the home and away season. At the conclusion of round 5, three (3) rounds of redrawn matches will be prepared. The schedule of matches for these three rounds (round 6, 7 and 8) will be determined by the ladder positions after round 5. Refer sport specific Regulations for means of separation where teams are equal on premiership points. Results from the three redrawn rounds will be added to the regular ladder. The draw for the final round (round 9) will be determined by the ladder positions after eight (8) rounds. Refer sport specific Regulations for means of separation where teams are equal on premiership points. The final ladder will be determined by results from matches played in the final round.
- (b) Sports with seven or eight teams entered in a competition will play a season of seven (7) round Home and Away matches, followed by a round of semi-finals (round 8), then a round of finals (round 9). The draw for the round of semi-finals will be determined by the ladder standings after seven (7) rounds. Refer sport specific Regulations for means of separation where teams are equal on premiership points.

The draw for the round of finals (round 9) will be determined by the results from the semi-finals. To separate teams who have a draw in a semi-final, the team that finished highest on the ladder after Round 7 (as separated according to the criteria outlined in the sports specific Regulations) maintains that place for the round of finals. This round will include a Grand Final (1 v 2) to decide the Premiership. The final ladder will be determined by the results from matches played in the final round.

In the event of a draw or tie (including washout) in a final, no extra time will be played, nor will the game be replayed. The team finishing with the most premiership points at the end of the Home and Away season will be declared the winner. Where both teams are equal on premiership points, a premiership will be shared.

- (c) Sports with nine teams entered in a competition will play a nine (9) round Home and Away season (with a Bye), followed by Semi finals (round 10). The two teams who win their Semi Final will contest the Grand Final (round 11) to decide the Premiership. Refer sport specific Regulations for means of separation where teams are equal on premiership points. **Note:** Cricket and Tennis are an exception and will maintain progressive percentage/set index calculations throughout the season.

In the event of a draw or tie (including washout) in a final, no extra time will

be played, nor will the game be replayed. The team finishing with the most premierships points at the end of the Home and Away season will be declared the winner. Where both teams are equal on premierships points, a premiership will be shared.

(d) A school may enter a second team in a Firsts competition if a bye exists. Matches involving that team will not be played for premierships points.

(e) In order to have premierships status, it is necessary for two thirds of the member schools to participate, unless otherwise decided by the Heads of Schools Committee.
