FIRSTS COMPETITION

- 1) Both coaches must confer before the start of play to exchange team lists with players listed in order of merit and including doubles pairings (which may be different to the singles ranking order), and to check that the correct uniform is being worn (refer (a)).
- 2) When determining team order, players may only move one position up or down, relative to other established players, from the last round they played, except where players ranked higher are unavailable for selection. Where there is evidence that a player/s has been moved up or down more than one spot in a particular round/s without consent from the AGSV Executive, all rubbers for that player/s in that round/s will be forfeited and subsequently awarded to the opposing player. Score sheets and ladders will be recalibrated accordingly.
- 3) Where a player becomes incapacitated during a warm-up or scheduled match, any Rubber interrupted will be forfeited and a replacement player may be substituted for subsequent rubbers. If a substitution is made, the team must still play in the original order of merit as specified on the team sheet.
- 4) Matches will be decided by 12 rubbers of singles (1 v 1, 2 v 2, 3 v 3, 4 v 4, 5 v 5, 6 v 6) followed by reverse singles (1 v 2, 2 v 1, 3 v 4, 4 v 3, 5 v 6, 6 v 5) and 3 rubbers of doubles.

Each rubber will be the best of five games up to 11 points. Advantage will be played. In a fifth and deciding set, when a score of 5 is reached, the following will occur:

Singles: Players change ends and the match continues.

Doubles: Players change ends, keeping the server as before, but changing the receiver

- 5) If a player arrives ten or more minutes after the scheduled starting time, or after the opposition player is ready once all other matches have started, a Rubber will be forfeited.
- 6) Any Rubber involving a player who is incorrectly dressed will be forfeited.
- 7) **Rankings for "Bye-Practice match round"**

As part of x3 rounds of Redraws, teams must uphold the rankings/team order used in the last "Official AGSV match" (the match immediately prior to the "practice match round"). Teams who alter rankings / order for the "Practice match" are not permitted to use these rankings as the basis for selecting rankings / order for the next "Official AGSV match."

Where there is any evidence of teams using 'altered rankings' from the "practice match" to set their rankings / order for the next "Official match", all sets for the player/s in question for that round/s will be forfeited and subsequently awarded to the opposing player. Score sheets and ladders will be recalibrated accordingly.

- 8) **Nominating players for AGSV representative team:**
Only players who have been ranked 1,2 or 3 for the vast majority of the season can be nominated for AGSV selection. Teams who have players have been ranked in positions below their capability do so at the detriment of that player/s when it comes to AGSV selection.
- 9) Players and coaches are expected to conduct themselves within spirit of the game and in accordance with the [AGSV Standard of Behaviour](#).
- 10) Premiership points will be on the basis of 2 for a win, 1 for a draw and 0 for a loss.
- 11) **Redrawn rounds** (round 6, 7, 8)
Each team will play each other team once during the home and away season. At the conclusion of Round 5, three (3) rounds of redrawn matches will be played. The schedule of matches for these rounds will be determined by the ladder positions after Round 5. Results from the three (3) rounds of redrawn matches will be added to the original ladder.
Ladder positions will be separated by i) premiership points. Where teams are equal on premiership points after Round 5, the following criteria will be used to separate ladder positions:
ii) by who won the home and away match (head to head). Where teams placed first, second or third on the ladder cannot be separated by i) or ii), calculation iii) will be used to determine who has the superior 'Sets Index' (SI) from matches played between these teams. If that fails, the calculation will include the next team down the rung (and so on) until a separation is achieved. Where teams placed second, third (or below) cannot be separated by i) or ii) or iii), matches played against the team who is immediately above on the ladder will be included in the calculation. If that fails to separate, the calculation will include the next team above (and so on) until a separation is achieved.

Teams who finish **fourth (4th) place or below** after the fifth round **cannot** climb higher on the ladder from results achieved in redrawn rounds. Where ladder positions cannot be separated by the method of separation outlined in i) or ii) above after the three redraw rounds, aspects of calculation iii) will be used until a separation is achieved (refer above).
Positions 3-6 on the final ladder will be determined based on results from the redrawn rounds. These teams are not required to play on the day of the Grand Final.
- 12) **Grand Final** (Round 9)
The top two (2) teams as determined by ladder standings after eight (8) rounds will contest the Grand Final to decide the Premiership on Round 9.

All schools should be familiar with and where required, follow the contents of the [Adverse Weather Policy](#).
