

# 2021 AGSV GIRLS CROSS COUNTRY CHAMPIONSHIP

**IMPORTANT:** Any runner who has experienced Asthma in the past **are advised to carry their own Ventolin Inhaler** with them and those with a history of allergies **must carry their own EPIPEN**.

### **BIBS**

On the day of the event, each runner will receive a numbered bib to pin onto their running top.

Bibs must be handed to runners according to the number on your list.

This bib has a dual chip which is 'read' by the decoder at the finish line. The bib automatically calculates finishing order, team points and individual performances of each runner who completes the course.

All bibs are to be kept and returned by each runner as soon as the event is finished.

### **SCORING**

1. The Championship will be decided by the placings of the first **THREE (3)** runners to finish from each school in each of the three divisions (Senior, Intermediate and Junior) plus the next SIX runners from each school, **regardless** of division. **All girls are to be registered in their correct Year level.**
2. The first three (3) place getters in each Year Level will be presented with medals on the day of the Cross Country. The runner who is first across the line will be declared the overall winner. They will receive an additional medal as **Open Champion**.
3. Full results noting all competitors, places and times will be forwarded as soon as possible after the day.

**REPRESENTATIVE TEAM - event cancelled for 2021**
