# BOYS REGULATIONS

## TEAMS EVENTS

The finishing positions of the runners for each school with the lowest total will be awarded first place, second lowest second place, and so on, down to ninth position. If a tie occurs in 1,500 metres team events, the school whose best runner was placed higher shall be placed above the other tied school. If a competitor fails to finish or is disqualified, his school will be placed behind the schools whose full complement of runners completed the race. Points will also be awarded in the Open 3000 metres for the first finisher from each school i.e. it will carry double points.

## LANES AND ORDER OF COMPETING

Competitors are listed in lane order with lanes randomly allocated. In 800 m events and the Open 4 x 800 m relay, the competitor drawn in lane 9 will start on the outside in lane 8.

However, in events where qualifying heats were held, schools which do not field a team or competitor, are disqualified, or fail to finish on the day of the championship will revert to last position of those schools remaining in the event, with points awarded accordingly.

In the qualifying heats, no points will be awarded to a school that does not field a team or competitor, fails to finish, or is disqualified. Those who do not qualify will be placed 9th.
